Sweet friends and family,

May the peace of God and His incredible blessings be with all of you! It was so wonderful to receive all of your Christmas newsletters with updated pictures of your families. Many of your faces decorate our refrigerator or scroll across our computer screensaver and we pray for you and miss seeing you in person. We praise the Lord for your lives and send BIG BEAR hugs to each one of you!

Meet Enrique and Eva + 5!

Enrique was in our youth group in the 1990's. He was in and out of being involved and finally chose to quit coming to church. In the early 2000's he and Eva got together and became a family. Their relationship was up and down due to alcohol and infidelity. Over the years they have had 5 children, currently ages 10, 6, 5, 3 and 2 ♥ WOW!

In 2006 Enrique began playing soccer with Pablo and the two

became fast friends. It wasn't until 4 years later that he made the decision to follow Jesus. In 2011 he began attending Pablo's small group for men and then later both he and Eva joined several other couples for an 8 week Marriage in Crisis small group. Currently they live in a small 10 x 12 room, cooking outside – basically doing the majority of their living outside and sleeping scrunched up together in their tiny space.

Every year "Potter's Clay" from Westmont College comes to Ensenada doing medical/dental clinics, construction projects, sports, Vacation Bible School, special music, and more! Every year several projects are petitioned and only a few are chosen. We are jumping for joy here at La Gran Comisión, because this year they are building a house for this precious family. It will be a 4 bedroom house with an inside bathroom and a living area and kitchen! It will measure 20 x 30 on each of two floors being 1200 Sq. feet in the end. It is on the top of a hill with a million dollar view of the ocean and the city lights!! God is so loving and gracious.

Pablo, with many helping hands, has been working hard on preparing the land and laying the foundation and floor for the next step! The rest of this story is going to be told in pictures! Next week we will post pictures of the finished home...Enjoy

Dreaming!

Digging the trench for the foundation

God provided the rocks—let's get them down to size!

Roll 'em over and line 'em up!

Catching our breath and sharing the moment!

With grateful hearts even the tiniest serve.

Making progress!

Leveling out...

Final prep before pouring the concrete

Thank you Lord for so many helping hands.

Ready for the Westmont team

So blessed to serve hand in hand with you, Pablo and Martha

In April, Pablo will be returning once again to Cuba. The following is all the information regarding the trip and we ask that you would pray for all the details of his going and coming; the finances for his trip needs and for the pastors and leaders that will be attending the conference. If you feel the Lord nudging you to "adopt" a pastor or two or you would be interested in helping through prayer, through your finances or with a donation of air miles, please fill out the support slip on the next page and send it in with your tax-deductible donation to DTI. *Thank You!*

VOLUME 2012 SPECIAL ISSUE — CUBA — FEB 2012

DISCIPLER TRAINING INT'L.

DTI "Train the Trainers" Conference "Cuba for Christ" — April 2012

In April our TTT team will re-connect with the Cuban Trainers to lead our fifth DTI Train the Trainer conference, this time in the Holguin province. Last August seven DTI trainers from the US and Mexico experienced an amazing training event in Santiago de Cuba with 287 attendees from 32 different churches.

The Holy Spirit continues to provide opportunities for us to reach the goal of providing training in all 16 provinces of "Cuba for Christ" over the next 3-5 years.

We are expecting 300 pastors and leaders to attend the Holguin conference, so that they can teach the DTI model of discipleship to their churches. We are praying that the result will be intensive discipleship and spiritual growth exploding throughout the Holguin province, preparing the way for the next province we will travel to, as a result of the Holy Spirit working in Holguin.

How you can partner with us as you pray:

- For this ambitious vision God has put on our hearts. That we constantly seek His direction and not make plans in our own human understanding.
- That God will prepare the hearts of those attending to be open to what He has prepared for them.
- That God will allow the DTI trainers time off from work, as well as provide for their families while they are away.
- For the eight DTI trainers' preparation and finances (about \$1,300 per person)
- For continued openness from the Cuban government and that the Cuban Religious Visas will be issued on time.
- For finances for the Cuban pastors (\$20 each) which pays for their lodging, meals, transportation, and the DTI manual. (They do not have the money to pay their own way.) Total is \$6,000 (300 pastors X \$20).
- For people to donate air miles (especially American) to fly to Miami so we can connect with the charter flight sanctioned by the US government to Cuba.

Please Pray for the DTI Cuba Training Team
